(subject to alterations)

In each issue there are current information about passenger car and truck tyres as well as additional reports of the categories manufacturing and trade, new tyres, wheels, tuning, automotive, workshop-service, management, law, etc. Company profiles, innovative products in detail and an English-Section are also fixed component parts of each edition. In addition we publish special issues for the truck section and the workshop market as well as supplements for the seasonal tyre changeover in March and September.

1. Web-Adresse (URL):

www.gummibereifung.de

2. Brief description:

In the tyre-branch “AutoRäderReifen-Gummibereifung“ is well known for 95 years. Established and accepted as a print-magazine that deals with all relevant problems of the national and international tyre trade and industry. Written by experts for professionals “AutoRäder-Reifen-Gummibereifung“ presents detailed market overviews, technical innovations, informative company portraits and indispensable service features such as an exhibition calendar.

The website www.gummibereifung.de is equivalent to the print-magazine. Current news of the tyre-, wheels- and automobile-branch are daily published on the news-section. Additional services such as branch-links, online job market, an exhibition calendar and test results complete the extensive range of information.

Twice a week an e-mail-newsletter for the decision maker of the branch is published.

3. Target groups:

The complete tyre- and wheel-branch, retreading and disposal business, supplying industry and car dealership and garages.

4. Publishing house:

Schlütersche Verlagsgesellschaft mbH & Co. KG
Postal Address: 30130 Hannover
Address: Hans-Böckler-Allee 7, D-30173 Hannover

Uta Haffert

phone: +49(0)511 8550-2312; mail: haffert@schluetersche.de

6. View control: –**7. Page hits:** Available on request**8. Data delivery:**

At least a week before the ad is scheduled to run, please deliver via e-mail to: anzeigendaten-gub@schluetersche.de

File format for the website (40 kb / 200 kb): .gif, .jpg / Flash or .html.

File format for the newsletter (max. 40 kb): .gif or .jpg

For Flash versions: please provide the Flash version and information regarding action script, GIF or JPG as a fall-back in the format of the booked ad for users who do not have installed Flash; click target code* Instead of Flash we recommend html5. You can find further information about ad requirements on www.gummibereifung.de

*The code is needed so that click targets report the banner as a parameter, which enables the clicks on the banner to be counted.

9. External ad-server use:

Possible after agreement

10. Form of advertising and rates:

The advantage of online-advertising:

- fast and direct communication with your targeting group
- increase in traffic at your homepage
- utilisation of synergetic (classified advertisements print and online)

10.1. Banner

Form of advertising	Format (w x h)	Price per month starting from	Placing
Background-Image*	1920 x 1080	2,400.–	homepage
Billboard	920 x 250	1,150.–	homepage
Halfpage Ad	300 x 600	800.–	all subsites
Superbanner	728 x 90	600.–	all sites
Skyscraper	120 x 600	470.–	all subsites
Wide Skyscraper	160 x 600	490.–	all subsites
Fullsize Banner	468 x 60	470.–	all sites
Halfsize Banner	234 x 60	320.–	all sites
Rectangle	300 x 250	570.–	all sites
Button	120 x 90	195.–	all sites

* also Wallpaper (Superbanner + Skyscraper) without background colouring on homepage possible.

We publish your advert on different subsites in rotation with other banner. You need new advertising material? Our layout department will be pleased to assist you. The design of a static banner is for free, the design of an animated banner we will invoice at costs. The hourly wage of our designer is 90.00 €.

10.2 Newsletter

You can also place your advertisement in our newsletter published twice a week.

Form of advertising	Format (w x h)	Price per month starting from	Placing
Small Banner	700 x 120	420.–	between news
Medium Banner	700 x 240	500.–	between news
Big Banner	700 x 360	660.–	between news
Rectangle	300 x 250	570.–	Sidebar

For the special placements on the head of the newsletter we charge an additional rate as well as for advertorial features. Prices on request.

10.3 Links

Here you will be found! Guide your customer with a link the way to your website! The publication of your company logo and your contact-email-address complete your entry. We publish your link under different categories for 12 months (then until cancelled) for the price of 100.00 € per link and year. Deadline for your order is the 25th of the previous month. You can find detailed information on our website www.gummibereifung.de

10.4 Classified advertisements

Without additional costs all classified adverts of the print magazine are also published on our website for the same duration. It is also possible to publish classified adverts exclusively online. Prices on request.

10.5 Videos

At our online presence of “AutoRäderReifen-Gummibereifung” we are able to publish videos under the section Videos. Contact us, if you want to present your image video on our website. Prices and more information on request.

11. Discounts

Discounts based on the period of one year.

3 months	5% discount
6 months	10% discount
9 months	15% discount
12 months	20% discount

The discounts apply to banner and advertising at our newsletter, excepting links and videos.

12. Terms of payment

8 Days after the invoice date 2 % Discount, otherwise 30 days without deduction.

Bank withdrawal procedures possible. USt.-Ident-Nr. DE 115 697 748

Account details:

Commerzbank Hannover (BLZ 250 800 20), Konto-Nr. 111 118 800
IBAN-Nr.: DE84 2508 0020 0111 1188 00, BIC: DRESDEFF250

1. Journal format

210 mm (width) x 297 mm (height), DIN A 4
Uncut: 216 mm (width) x 303 mm (height)

2. Printing and binding methods

Sheet off-set printing, adhesive binding

3. Data transfer and contact

E-Mail: anzeigendaten-gub@schluetersche.de

For larger amounts of data, the delivery is via NextCloud;
please notify in advance.

For queries: phone +49(0)511 8550-2311/-2312

When transferring the data, please use filename journal_issue_advertiser and also send the exact work order information as well as revision-level colour printouts of the advertisement.

4. Data format

PDF/X-3 data files should be sent. Open-format data files (e.g. InDesign, QuarkXpress, etc.) should be avoided. The file must be printable; i.e. all the texts should be embedded. Halftone images require a resolution of 300 dpi, line art at least 600 dpi.

5. Setting costs

We are happy to help you in the design of your advertisement. The setting and/or correction work will be charged at cost price; a discount is not possible.

6. Colours

Printing colours (CMYK colour model) according to ISO 12647-2 (PSO). The Standard-Offset Profile of the ECI (ECI_Offset_2009 available free of charge at www.eci.org) should be used as a reference for the conversion and control of the colour space (ICC-Colour Management).

7. Proofs

Full-colour test prints should be printed according to the Media Standard Print guidelines of the German Printing and Media Industries Association [*Bundesverband Druck und Medien*] and sent to ensure colour authenticity. Digitally produced test prints must contain the FOGRA media wedge to ensure colour fidelity (available for a fee from www.fogra.org). Proofs must contain an official print control strip. Output profile and paper grades for reference proof prints are as follows:
Cover:

Paper grade 1 (FOGRA 39), output profile ISOcoated_v2_eci.icc,
Contents:

Paper grade 3A (FOGRA 45), output profile PSO_LWC_Improved_eci.icc

8. Data archiving

The data will be archived for 1 year; unchanged repetitions of the advertisement are therefore usually possible. However, we cannot guarantee that your data will be preserved.

9. Warranty

The client is responsible for the punctual delivery of the advertisement text and flawless print documents. If the print documents are not flawless, the publishers will print the advertisement in the quality which is possible with the submitted print document (see also Sections 4 and 6).

Job market

The job market of the magazine **AutoRäderReifen-Gummibereifung** means efficient & targeted personnel recruitment. With 12 issues per year, the online presence and an e-newsletter twice a week the leading periodical is always up to date.

With a job opening in our job market section you will reach applicants from the whole tyre and wheel branch.

By placing a printed advertising in the magazine, an online ad is included for the duration of eight weeks on www.gummibereifung.de and also a hyperlink in the e-newsletter. There are no additional charges for colour on job market adverts!

With pleasure we will advise and assist you with your job hunting. Your contact in the advertising department:
